

FI – Glass Ski Angler

\$39,999

The Ski Angler™s versatility and value for money make it the perfect first boat, easily handled in and out of the water. Easy access and trouble free cleaning make the Ski Angler no-fuss and fun for trouble free boating. The Fi-Glass Ski Angler is an ideal boat for those who enjoy outdoor activities like fishing, diving, or exploring New Zealand's waterways. With a fibreglass hull and a powerful Mercury 90hp 4-stroke engine, this boat is perfect for those seeking an exciting and reliable boating experience. The boat's features include a GPS/sounder, boarding ladder, ski pole, keel guard, front grab rails, and a full road cover, making it practical and convenient for various water-based activities. It is also very tidy and well-maintained, ensuring a great overall experience. The Mercury engine has low hours, has undergone a full service and comes with a 3-month warranty, ensuring optimal performance and reliability. The new rego and WOF trailer comes with guide poles, multi-roller, ezi load, spare wheel, short storage drawbar, and an extending drawbar, making it easy to transport the boat to various destinations.
