

## Vynalite Tube Matting

\$106

This PVC tube is extremely soft and is ideal for boats, wet areas etc. Available in Blue, Black or Grey.

Vynalite is designed and manufactured from non toxic food grade PVC tubes and provides excellent comfort and support under foot. Vynalite makes many work places and recreation environments safer, more comfortable and can help increase productivity by reducing fatigue. Constructed in grid formation, Vynalite is extremely versatile, lightweight easy to roll up and clean, can easily be cut to size or shape and is 100% recyclable. Available in four standard widths and lengths up to 30 metres. Vynalite is both flame and chemical resistant and can be installed in minutes even on uneven floors.

- Provides relief from standing on cold floors
- Impervious to most liquids, acids and hydrocarbons
- Excellent slip resistance
- Suitable for the marine environment
- UV resistant
- Easy to fit and clean
- Made from 100% food grade materials
