

Waxenwolf Soft Top SUP

\$900

The Soft Top paddleboard is a must have! It provides the ultimate in stand up paddleboard fun and safety for first time riders and enthusiasts alike. Polyethylene deck and slick skin bottom designed to take a beating, giving the ultimate performance for this affordable all-purpose SUP. It's something the whole family can use, and you don't have to worry about the kids wrecking it. Comes with adjustable paddle and leash. Please note that we currently are not stocking this SUP in store, however we can order this SUP in for you from our suppliers. Further note that there is a \$100 shipping charge due to it coming from the North Island. Please contact your local Mr Boats store for ordering or more details.
