

O'Brien All-Star Trainer Waterski Combo

\$299

The next water skiing champion has to start somewhere so start their training on the O'Brien All-Star Trainers Junior Water Skis. These skis are perfect for the young ones learning the very basics of water skiing from standing up to getting comfortable with the little bumps.

The Stabilizer Bar will keep them from crossing their skis and Molded-In Fins allows them to turn easier. The trainer rope has an EVA Handle so that their hands are comfortable as they start cruising. Share your love of being on the water with the next generation and start them off strong with the O'Brien All-Star Trainers Junior Water Skis.
