

Fusion RA55 Marine Stereo

\$400

MS-RA55 Compact Marine Stereo w/Bluetooth Audio Streaming - FREE GIMBLE MOUNT. Speakers are not included.

Multi-Zone Technology:

The FUSION MS-RA55 offers independent control of the volume level in two separate audio zones. Multi-Zone Technology also includes functionality for naming zones and setting volume limits. An additional line out is included and linked to Zone 1 for the optional inclusion of an amplified speaker set.

Daylight Viewable LCD Display:

The large 2.6" LCD display is daylight viewable with adjustable contrast to ensure view ability in any light level. The MS-RA55's LCD display is able to resist extreme temperatures and operate in direct sunlight.

Designed & Engineered for the Marine Environment:

The MS-RA55 has all the considerations and innovations of a FUSION product, making it the most competitive marine stereo available in the market at this price point.

Music Playback - A2DP Bluetooth Audio Streaming:

Stream music from any compatible device to the MS-RA55. Enjoy your favorite apps such as Pandora, Spotify and Apple Music with the ability to skip tracks and adjust volume from the stereo face.

IPX5 Waterproof:

When mounted correctly the front panel of the MS-RA55 is rated to withstand the marine environment like no other stereo.

Compact In Size:

FUSION's most compact and competitive marine stereo ever! The MS-RA55 has a shallow dash mount depth of only 55mm (2-1/8"), perfect for small boats and personal watercraft.
