

605 Sportsman

\$113,925

The 605 is the most popular in the Buccaneer range with a good mixture of comfort and practicality. Great for both a days skiing or fishing on the lake or blue water boating. The Buccaneer boats are beautifully finished at the top of their game and a pleasure to drive! Order now for the summer season! (Some photo's are display use only and may differ from the actual spec)
