

Mac 360 Boat

\$9,575

Easy To handle -Great to tow ,The Mac 360 is the 'BIG" Little boat .Despite its compact dimensions the MAC360 is remarkably stable thanks to its pontoon style sides and hull design . Yet its tougher than any other boat you have seen before .The 360 is designed for beach launching and storing at the bach ,ducking out for a quick fish or the whole day . High sides giving more options . (Price does not include freight from Auckland)
