

Bayliner VR4 OUTBOARD Interest Free Deal

\$119,900

50/50 FINANCE DEAL. PAY \$59950 now and \$59900 in 12 months totally interest free. Lending criteria apply. The latest in our VR Series of highly evolved bowriders, the VR4 is easy to tow, launch and store—and really fun to use. The smallest VR Series model delivers plenty of interior space thanks to our BeamForward™ design, which carries the full beam further forward for more comfort and capacity than traditional pointed bows. So if you're looking for a boat that can provide power, comfort, and safety for your family's weekend getaways and vacations? Look no further than the Bayliner VR4 with a 150hp Outboard. This versatile vessel is designed with families in mind, offering spacious seating for up to eight people and ample storage space for all your gear. The powerful 150hp engine provides plenty of power for water sports like skiing and tubing, making it an excellent choice for active families. The Bayliner VR4 also boasts a sleek, modern design and advanced safety features to give you peace of mind on the water. The helm is easy to use, with intuitive controls that make it easy to navigate even if you're new to boating. Overall, the Bayliner VR4 with a 150hp Mercury is an excellent choice for families looking for a safe, comfortable, and powerful boat that can provide endless fun on the water. Don't wait—book your test drive today and experience the Bayliner VR4 for yourself!
