

Fi-Glass Warrior Merc Crusier Sterndrive 200hp

\$59,990

The Fi Glass Warrior Sterndrive would be an excellent choice for a family or a couple with young children who are looking for a boat that is safe, comfortable, and versatile enough to accommodate their entire family. The boat's exceptional handling in both lakes and open sea makes it a good choice for various water-based activities like fishing, leisure, and water sports like skiing or tubing. This boat has just had a full factory re-ferb and a brand new engine installed. The boat comes with a 200hp Mercrusier engine that has an Alpha 1 leg and a 3-year warranty, ensuring reliable performance and peace of mind. The boat also features a Bow Rail, Rocket launcher, and Hummingbird sounder, making it an excellent choice for fishing enthusiasts. Additionally, the boat comes with a tandem axle EZI Loader trailer that has a rego and wof, making transportation and launching easy and convenient. The 9.95% finance rate option also makes it an affordable and practical choice for families or couples who want to own a boat for weekend getaways or family vacations.
