

Fi-Glass Ski Angler

\$29,990

The Fi-Glass Ski Angler is an ideal boat for the adventurous boater who enjoys outdoor activities like fishing, diving, or exploring New Zealand's waterways. With a fibreglass hull and a powerful Mercury 60hp 4-stroke engine, this boat is perfect for those seeking an exciting and reliable boating experience. The boat's features include a GPS/sounder, boarding ladder, ski pole, keel guard, front grab rails, and a full road cover, making it practical and convenient for various water-based activities. It is also very tidy and well-maintained, ensuring a great overall experience. The Mercury engine has low hours, has undergone a full service and comes with a 3-month warranty, ensuring optimal performance and reliability. The new rego and WOF trailer comes with guide poles, multi-roller, ezi load, spare wheel, short storage drawbar, and an extending drawbar, making it easy to transport the boat to various destinations. In addition, finance options are available with a competitive 9.95% finance rate. Overall, the Fi-Glass Ski Angler is a great option for those seeking a practical and reliable boat for water-based activities like fishing, diving, or exploring. It's well-maintained, powerful, and comes with convenient features that make it a great choice for an adventurer who loves the outdoor activities.
