## MOTOR FEATURES

Every Verado in the range is built on one solid principle. To create a motor that is tough from top to bottom. With supercharged power in every Verado, the torque produced by the engine is nothing short of incredible. With greater torque through the entire rev range you receive awesome acceleration as well as being able to keep a heavily loaded boat on plane at slower speeds, and climb larger waves.

## TRAILER FEATURES

- Toko Single Axle - Braked Trailer
- Rego & WOF
