

## Mac 360

\$9,995

Get ready for adventure on the water with this compact yet rugged MAC 360! Paired with a powerful 30HP Tohatsu outboard engine, this boat delivers excellent speed, stability, and fuel efficiency—perfect for fishing trips, recreational cruising, or even water sports. Key Features: MAC 360 Boat: 3.6 meters of durable, UV-resistant polyethylene hull, built for both freshwater and saltwater environments. Known for its stability and low maintenance! 30HP Tohatsu Outboard: Reliable, fuel-efficient power that gets you where you want to go fast and smoothly. Ideal for maneuverability and performance. Lightweight & Portable: Easy to tow, launch, and store. Ample Space: Comfortable seating with room for fishing gear or supplies. This is a versatile and affordable package ready to hit the water—whether you’re a seasoned boater or new to the scene. Contact us today for a test run and experience the MAC 360’s performance firsthand!
