

## Minn Kota Fresh Water Transom Mount

\$600

Fresh water transom mount, 12 volt electric trolling motor. Super quiet!

The Minn Kota® Endura C2-30 Freshwater Transom Mount Trolling Motor features an ergonomic, telescoping handle for easy and comfortable steering and a lever-lock bracket made with composite construction to resist flexing, warping and UV damage. The Tilt Twist Tiller® has an ergonomic grip so you can easily control speed and steering. The composite shaft is durable and flexes on impact and won't break, corrode or kink. The quiet motor design won't spook fish.

### Features and Benefits:

- Motor offers cool, quiet power with extra large windings and commutators to dissipate heat and a bearing system helps eliminate fish-spooking noise
- Tilt Twist Tiller® has an ergonomic grip so you can easily control speed and steering
- Composite shaft is durable and flexes on impact and won't break, corrode or kink
- Transom mount
- 6" ergonomic, telescoping handle for easy and comfortable steering
- Lever-lock bracket made with composite construction to resist flexing, warping and UV damage
- Shaft Length: 30"
- 12 volt
