

Senator 500 Cuddy Cabin-new model

\$72,978

Introducing the new Senator 500 Cuddy Cabin â€” where performance meets innovation. Crafted for serious anglers and weekend adventurers alike, this sleek vessel is designed to handle whatever the waters throw at it. Featuring the advanced GUARDIANâ„¢ Chamber System, your safety is assured in any condition. The Ridgid Bimini Top with side clears and a Rocket Launcher is perfect for those who want to stay covered and organized while out on the water. Equipped with fitted navigation lights and the state-Tsunami Baitboard System, youâ€™ll be ready for anything, from long cruises to serious fishing expeditions. Powered by the reliable Mercury 75HP 4-Stroke engine, this boat combines fuel efficiency with the power you need to take on open waters. And with the Ezi Load Trailer, launching and hauling has never been easier. Spec your own electronics package For those who demand more from their boat â€” the Senator 500 Cuddy Cabin is the ultimate choice. Ready to take your adventures to the next level.
