

## Kiwikraft 505 Cuddy

\$29,990

Introducing the Kiwikraft 505 Alloy Pontoon Boat—the perfect blend of performance, durability, and versatility for any water adventure. Powered by a reliable Yamaha 90HP 2-Stroke engine for impressive speed and power, paired with a 4-Stroke auxiliary engine for added security and efficiency, this boat is ready for both leisurely cruises and action-packed outings. Crafted from high-quality alloy, the Kiwikraft 505 is designed to withstand the harshest conditions, ensuring long-lasting performance and minimal maintenance. Whether you're fishing, relaxing, or exploring, the spacious and stable design makes for an incredibly comfortable ride. With Yamaha's™ trusted engineering powering your journey, you can enjoy peace of mind while on the water. Upgrade your boating experience today with the Kiwikraft 505 Alloy Pontoon Boat—reliable, efficient, and built to last!
