\$29,999

Striking 615 Kingfisher with Mercury 125hp Saltwater Series – Built to Perform, Priced to Move! This impressive 615 Kingfisher is the perfect blend of rugged durability and smart design, made for serious fishing or fun-filled family adventures. Crafted with Kingfisher’s renowned build quality, its deep-V hull delivers a smooth, stable ride even in rougher conditions. Powered by a Mercury 125hp Saltwater Series outboard, this rig offers reliable performance and plenty of grunt for offshore missions, towing water toys, or cruising the coast. The spacious deck layout provides ample room for fishing action, while clever storage solutions keep your gear organised and ready seating for family and mates, and a large cockpit area, the 615 Kingfisher is ready to hit the water now. If you’re after a capable, no-nonsense boat with a proven hull and solid power—this one ticks all the boxes! Don’t miss out—contact us today to view!
