

Southern 670 Hardtop

\$91,990

Southern Sports 670 Hardtop – Mercury 250hp Pro XS (Only 105 Hours) The Southern Sports 670 Hardtop is built for serious offshore adventures and weekend family fun. Renowned for its strength, stability, and soft ride, this New Zealand-built alloy boat delivers exceptional performance in all conditions. Powered by a Mercury 250hp Pro XS outboard with just 105 hours, you’ll enjoy impressive speed, fuel efficiency, and reliable power whenever you need it. The hardtop design offers excellent protection from the elements, while the spacious cockpit ensures plenty of room for fishing, diving, or cruising. With its quality build, low engine hours, and smart layout, this Southern Sports 670 Hardtop is the perfect package for those wanting a capable, go-anywhere boat that won’t let you down. A rare opportunity – ready to hit the water today.
