

Senator 550 Hardtop

\$93,870

For Sale: Senator 550 Hardtop with Mercury 115hp CT & DMW Trailer Built tough for New Zealand conditions, this Senator 550 Hardtop is the perfect blend of performance, safety, and practicality. Renowned for their superior stability and soft ride, Senator boats are trusted by serious fishers and families alike. Powered by a Mercury 115hp Command Thrust 4-Stroke, this package delivers excellent torque, quiet operation, and fuel efficiency – ideal for long days on the water. The DMW galvanised trailer makes towing, launching, and retrieval simple and reliable. Features include: – Fully welded pontoon design for unbeatable stability and safety – Spacious deck layout with plenty of fishing room – Hardtop protection for all-weather boating – Underfloor fuel tank, rod holders, and storage lockers This is a great all-rounder – perfect for fishing, diving, and family adventures. Ready to hit the water and go anywhere! Would you like me to tailor it more toward serious fishers or a family/recreational buyer?
