

O'Brien Black Magic Kneeboard

\$370

The O'Brien Black Magic is a fantastic "family" kneeboard! The famous cable-actuated retractable fin system and the aquatic hook make the Black Magic the perfect board for successfully teaching kids and newbie riders the finer points of deep-water starts.

The size of the Black Magic means adults and kids can ride it with ease. The smooth bottom contour makes it super stable and extremely comfortable. The 3-inch padded strap makes for a secure fit. The Black Magic makes surface tricks ridiculously easy, so the fun starts quickly.

The Black Magic utilizes a patented rib design for outstanding strength, while the durability derived from its PE roto-molded construction mean it can take a huge amount of punishment and live to tell the tale. Hone your skills, and prepare to amaze on the near-mythical O'Brien Black Magic.
