

O'Brien Radica Kneeboard

\$299

Brings levels of performance previously unheard of at this price.Â With a built in tow hook that makes getting up easy! Taking cues from our already industry-leading kneeboard designs, weâ€™ve blendedÂ wakeboard and waterski design elements into the Radica to bring levels of performance previously unheard of at this price. Wakeboard styled quad, cupped molded fins makeÂ edging and carving a breeze, while allowing release for spin type tricks. The water-ski influenced edge bevel helps the board sit low in the water for stability and allows quickÂ edge to edge transitions when carving. With a built-in hook that makes getting up easy, to a super-stable ride that beginners & intermediate riders will love â€” you just might say itâ€™sÂ radical!
