

Obrien Valhalla Wakeboard & Bindings

\$749

The Valhalla is a legendary board, highly favoured amongst O'Brien's team of elite riders. Arguably the best value in all of wakeboarding! The Valhalla featured a full rail through the center of the board that tapers towards the tips. Along with a very "floaty" skate-inspired feel, the Valhalla has the ability to hook up and hit the wake with speed when needed. Comes with Access boots.
