

## Fusion Outdoor Box Speakers

\$130

Great for on your boat or outside your home!

FUSION's Marine/Outdoor Box Speakers are carefully designed and manufactured specifically for marine/outdoor use.

Featuring an adjustable mounting bracket with all mounting hardware supplied, these speakers are perfect for installation on a alloy vessel where flush mount speakers are not always practical.

The solid construction and powerful sound, combined with competitive pricing make the MS-OS420 speakers a great value for money option.
